E-mail Address (if applicable):

Please explain in a few short sentences why you are interested in becoming a wildlife monitor?

Job and volunteer Experience. Please list the jobs you have had and volunteer experience (search and rescue, working with youth, organizing Christmas games, teaching sewing, community clean-up etc.)

Experienced hunters with good knowledge of the wildlife and environment around the Pond Inlet area are needed as monitors. How long have you been hunting? How often do you hunt? Are you closely aware of the changing seasons and how to navigate safely in them ?

Have you ever had formal training in any of the below? Please check the box if you have.

- First-Aid**
- GPS, Map Use, Wayfinding, etc.**
- Wildlife monitoring** (tissue sampling, measurements, recording etc.)
- Search and Rescue**
- Firearms Course**
- Engine/mechanical repair**

*All monitors will be trained. Those without previous training can still be hired.

Monitors will need to fill out forms while hunting. How comfortable are you doing paperwork on the land? Please check a box below:

- It would be easy to fill out forms on the land**
- It would be hard to fill out forms on the land but I could do it**
- I don't want to fill out forms on the land**

Please sign and date.
