

# Qikiqtani Cultural Activities Program (QCAP)

## Guidelines and Application Form

### GUIDELINES

#### About the Program

The goal of the Qikiqtani Cultural Activities Program (QCAP) is to help Inuit participate in cultural activities, on-the-land programs and sewing. The QCAP provides funding to individuals and groups who want to help people in their community learn traditional and on the land skills.

#### Who Can Apply?

Individual Inuit and community groups (including Hamlet committees) in Qikiqtani communities can submit applications for the QCAP. This funding program is not for political organizations, religious organizations, businesses, or territorial or federal government agencies.

#### What Can You Do with this Money?

You can use this money to cover the costs of projects that help Inuit strengthen their Inuit cultural skills and knowledge. In response to recent community consultations, our priority is to support projects that help more Inuit participate in on the land and sewing activities.

#### What Costs Will QIA Cover?

QIA will cover these costs: materials and supplies, rental fees for equipment and venues, fees for Elders and other instructors, administration costs, and other costs directly linked with the project. There are maximum amounts allowed for the following costs:

Cost	Maximum Amount Allowed
Instructor Fees	\$40/hour up to \$400/day
Instructor Travel Costs	Reimbursed at cost
Elder Fees	\$50/hour up to \$500/day
Equipment Rental (boat, snowmobile/qamutiik, ATV)	\$250/day
Administration	10% of total project costs

QIA will cover the costs for some food costs for participants, but we will not cover the cost of pop, candy, chocolate bars, or frozen convenience store foods. Cigarettes and other tobacco products are not eligible expenses.

QIA does not cover the costs for: operating and staffing expenses of established programs; any expenses from past projects; the purchase of equipment; buildings; land or the repairs of equipment, buildings, or land.

## Reporting Requirements

Every funding recipient must submit a project report within 30 days of the end of your project.

A project report form will be sent to you along with your funding agreement. The project report may be done in writing or by telephone, in Inuktitut or English.

For funding awards under \$15,000, we do not require a detailed financial report or receipts. For funding awards over \$15,000 we do require a detailed financial report and receipts for all expenses.

For 2023/24, all funding recipients will be asked to participate in a short telephone interview at the end of their project. The purpose of the interviews is to help us learn more about your program and how QIA can best support Inuit cultural activities in our region.

**Note:** You will not be eligible for further QIA funding until all your reporting requirements are met.

## How Are Applications Processed?

Once you submit an application, we will contact you within five days to tell you that we have received it.

All applications will be reviewed by the QIA Benefits Fund Committee within 30 days after the submission due date. If you want to see the criteria for assessing applications, contact us for a copy of our Application Review Template.

## How is Funding Paid Out?

For funding awards under \$15,000, the full amount will be provided as a one-time payment. For funding awards over \$15,000, 80% will be provided at the beginning of the project; 20 per cent will be held back until key project milestones are reached and the project reporting requirements are met. A payment schedule will be provided in the funding agreement.
