

Equipment RFP – Questions and Answers – Part 2

FOB (Free on Board) Shipping Point

An appointment with delivery date will need to be scheduled with NEAS in Bécancour, Quebec.

Workshops & Cabin Materials

- Workshops package is the same as the cabins package.
- The cabin will be enclosed (with door and windows) and heated (with heating).

Rented Seacans and Crates, Used Seacans

- There is a possibility of using wood crates instead of using rented seacans.
- Used seacans in a good condition are acceptable if they are sealed.

Seacan Rental for Resolute Bay

We may use crating or a rented seacan. There are side-by-sides to be purchased for Resolute Bay under a separate RFP.
